Once upon a time, there was a young lumberjack Alex he lived alone in his cottage. One day on a cold, hot, and warm day the princess and her father from the other land got lost they weren't prepared.. it was spring, summer, winter, and fall in one day!

The princess, Lily, thought the cottage looked comfortable so she knocked on the door. No answer, knocked again, still no answer, and finally one more knock did the trick. Alex opened the door and

.....

Love at first sight
they were super shy. So shy, they
even talked gibberish "Blinky, Bloops
Peop, lee," said Alex said "Blaty, pook, pook."
"Do you want to stay over?" Alex asked.
"Sure" said Lila. Her dad, was getting
upset, he knew they liked each other.

Later that night,
Within days Lilly grew stronger she learned how to survive, how to get food, and get wood, but as she got stronger her father got angrier. He managed to brake them up. Days went by and Lilly's dad relized... Love is love and it shouldn't be

broken. He tried to get them
back together. He succeeded! The
Princess became the Queen, Alex
became a king and the father
loved them both so much!

At the marriage wedding they brought the two worlds together. Alex and Lilly brought peace to the lands and lived happily ever after. The End ♡
