It was a special Saturday. I won the Bike Race in the morning. In the afternoon Mom and dad told me that I will be big sister. We went to pizza shop for party.

My mom promised to take me to the baby doctor to see the baby. I told my friends and teacher in the school. Everyone congratulated me. I started making a calendar. I was very excited.

I could not wait for the appointment day. I was marking calendar every day. I have been good all days. Finally the day was here. We went to doctor office. It was very big. We were waiting outside then doctor called us inside.

There was a big computer at doctor's office. My mom lied down on a bed. Doctor put something like glue gun on my Mom's tummy. I was very excited. Then I saw baby on computer. I saw head, arms and baby.

HURRAY

I also heard baby's heart beat.  
Baby's hand was on head. I  
was very happy.
