

# Hungry Bobo

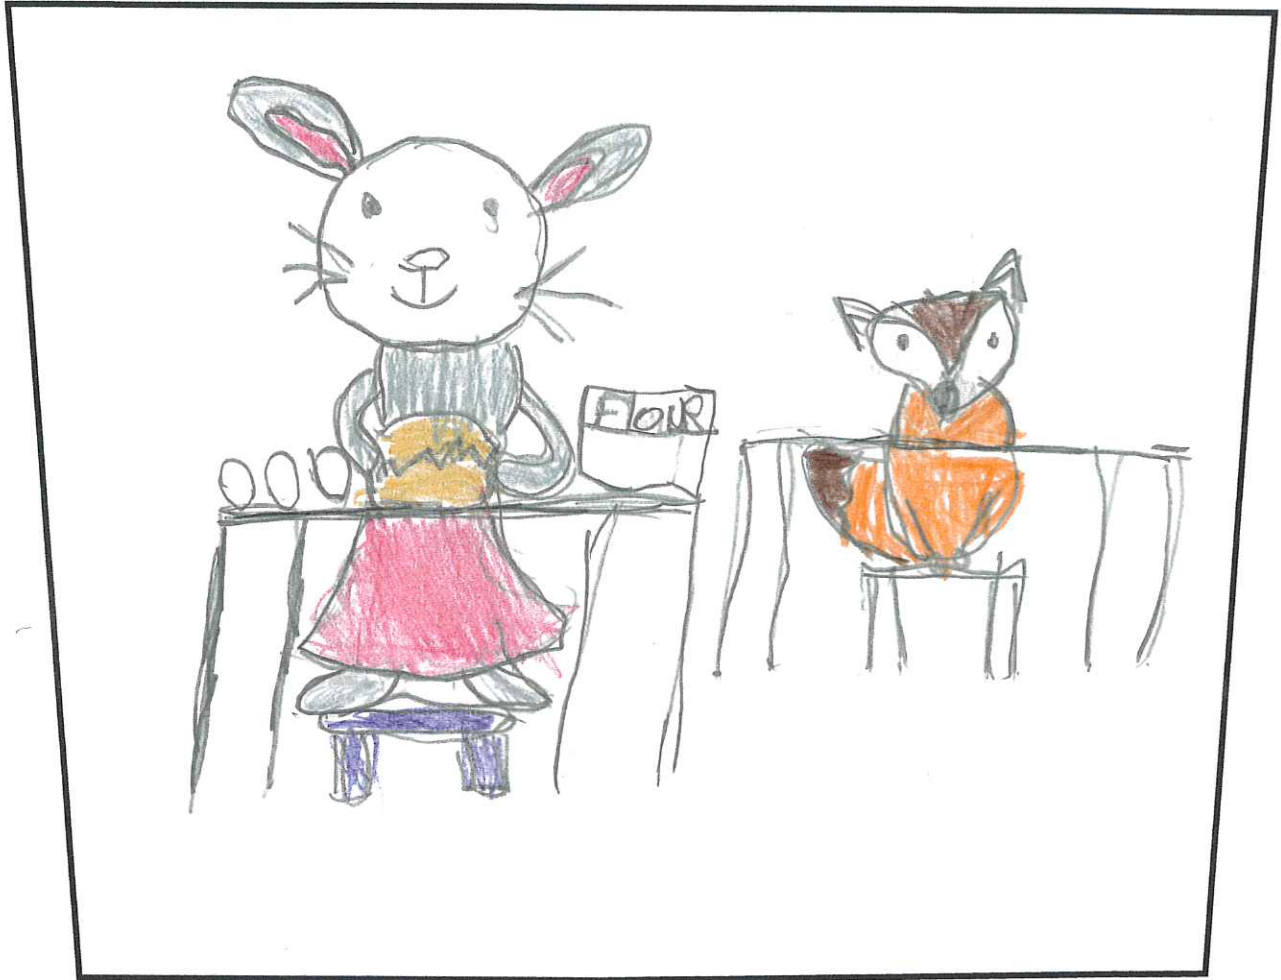

Once upon a time, there was a bunny. Her name was Lisa. One day, Lisa went to pick berries in the forest. Bobo was a fox. He lived in the forest. Bobo saw Lisa picking berries. He pounced

on Lisa. "I am going to gobble  
you up," said Bobo. "Please  
don't eat me," said Lisa.

"But I am so hungry. I haven't  
eaten anything in five days!"  
said Bobo.

"I have an idea. Come to my

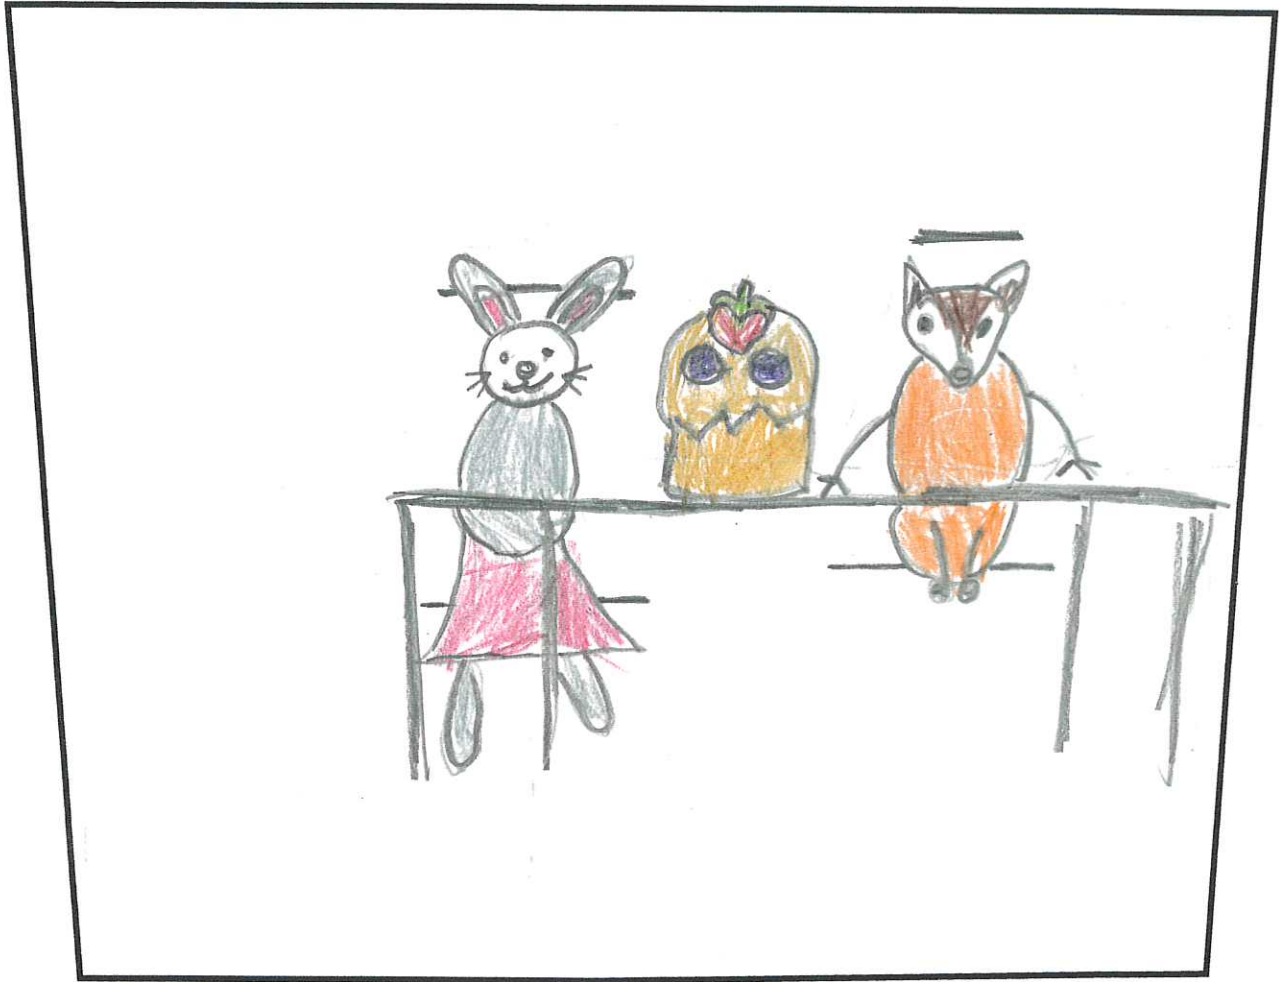

house and I will bake you  
a pie," said Lisa.

So they went to Lisa's house.  
Lisa mixed berries, flour, eggs  
and sugar and put it in the  
oven. They played a board  
game and waited for the pie

to bake. When the pie was ready, Lisa cut Bobo a big slice. Bobo gobbled it up and said, "I am still hungry." So Lisa gave him some more. Soon the pie was all over! Bobo was sad but Lisa promised

to bake more pie for Bobo  
soon. Bobo and Lisa played  
together every day and were  
best friends. Bobo ate lots of  
pie and was never hungry  
again.
