

The Adventures of Bella:

The Superdog.

My dog Bella just won't stay put. She thinks she's a super dog! While we are away, Bella loves to play. But she doesn't play like any other dog.

Bella waits for the car door to close and then she springs into action. With little effort, Bella runs, takes a giant leap, and hops onto the fence. Bella is off to start her adventure of the day.

Bella starts by visiting our neighbor parakeet, Buddy. Buddy always screeches and hollers when he sees Bella coming his way. Poor Buddy, He's scared of Bella, but Bella just wants to play.

Next, Bella likes to make a stop at Megan's little library. The owner, Miss Patty, always has a delicious treats for Bella. Bella loves Miss Patty.

After visiting Megan's little library, Bella continues her stroll on the fence. Bella's eyes are open. She knows that a squirrel lives nearby. Bella spots the squirrel and chases after it. The squirrel jumps off the fence and runs up Abuela's pine tree. Bella barks and barks and finally gives up.

After a long day, Bella goes home. Bella makes it home in time to see Mommy's car pull up into the driveway. When the car door opens, Bella is fast asleep in her doghouse.
