once up on a spaceship 4 kids
were trying to find the
chocolate and cheese planet.
They wanted to find the
planet so they can eat all
the cheese and drink all fo
the chocolate rivers.

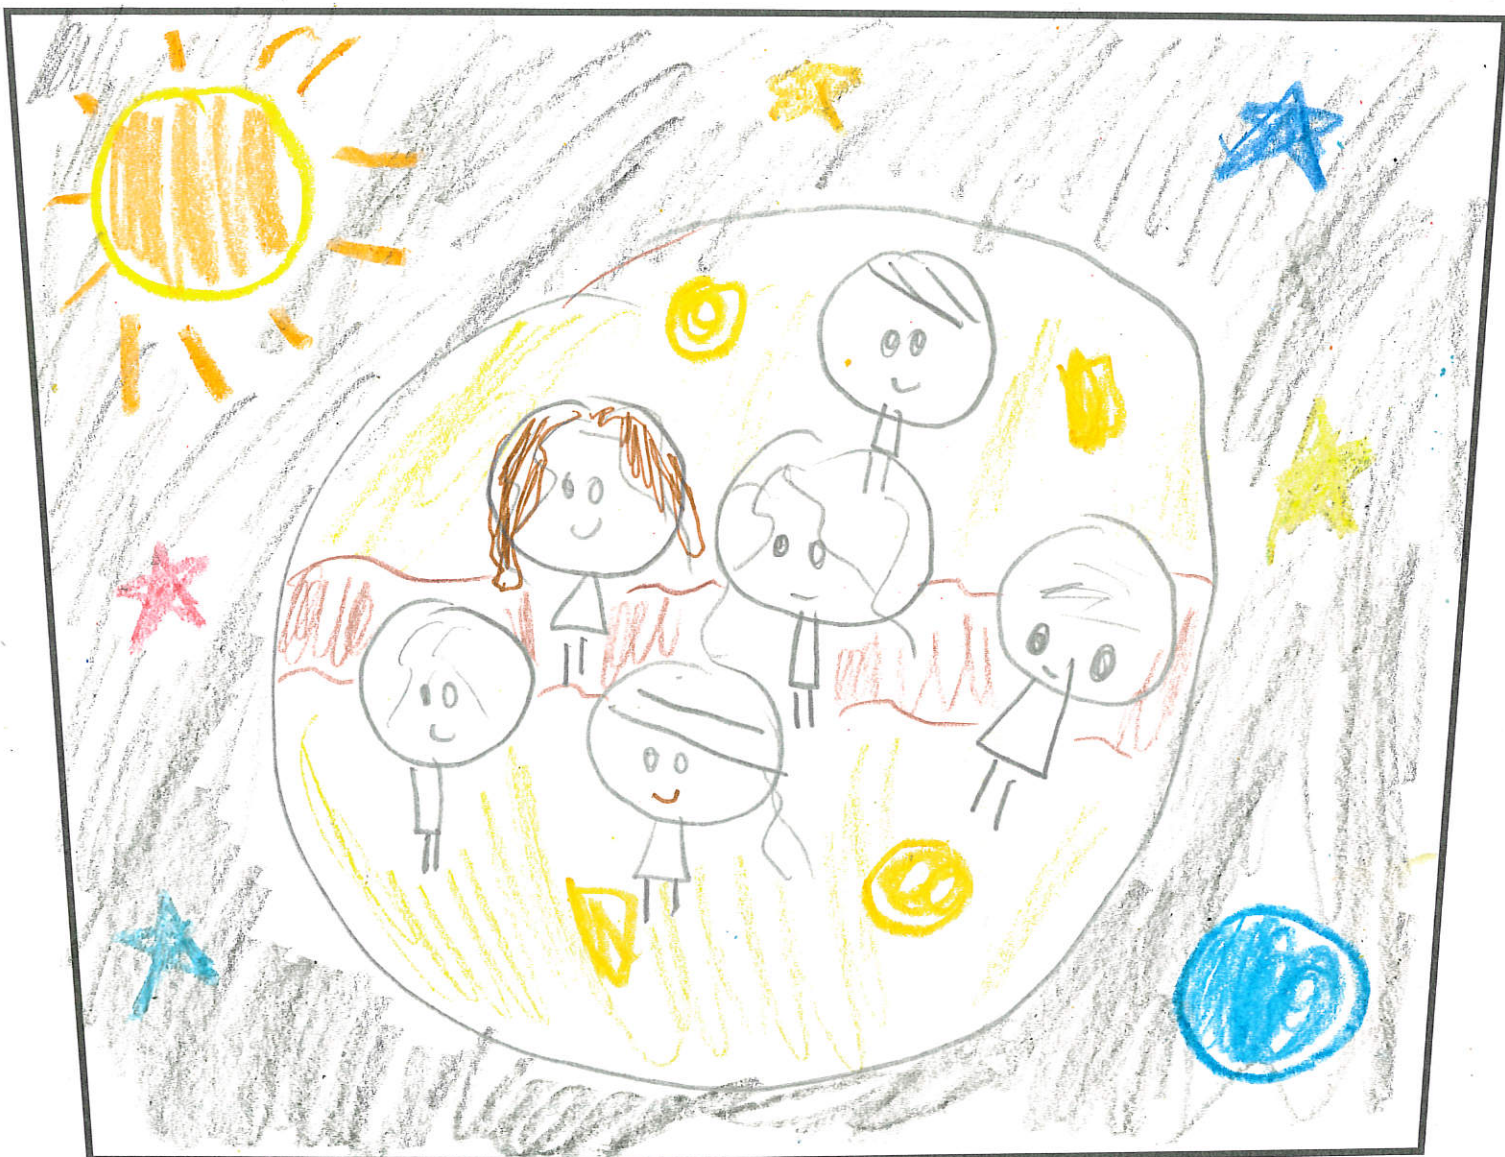

Everything was good the first day and all the kids had fun and drank chocolate milk.

The next day though
they seen a monster
fly'ing in space. The
kids kids knew the monster
was Genesis. 3,000 eyes
and could see everything.

To get away from Gemesisi
they use thier giant flashlight,
the light was brighter than
the sun and made the
momster blind.

Then they made it to the
chocolate and cheese planet.
It was so good they called
their moms and the whole family
came to live forever.
