

"Friends Make Friends."
Little Jazz was a
little car. He went
to school. He said
"Bye Mom! Bye Dad!
see you after school!"
His mom and dad said "I love you!"

Little Jazz drove
to Race Car school.
He is in kindergarten.
It was his first day.
He felt nervous.

Little Jazz saw a
big car. His name is
Hot Rod. He was mean.
He made fun of everyone.
Little Jazz felt sad
and scared. He cried.

Lightning Bolt is fast like lightning. He does not like new cars getting picked on. He wants to protect Little Jazz. He asked Hot Rod to race.

At the starting line their engines were ready to roll. Hot Rod made fun of them. The red light turned green. They drove fast!

Little Jazz and Lightning Bolt did a loop de loop. They passed Hot Rod! The finish line was close! Hot Rod tried his best but they were too fast!

Little Jazz and Lightning Bolt crossed the finish line together. They won!

The whole school cheered
for them. They won a
trophy. Little Jazz's
parents was there.

Hot Rod was mad and
sad. He lost. He was alone.
The sun went away. His
flames went away.

Little Jazz saw Hot Rod
sad. He asked Hot Rod, "Let's
be friends." Hot Rod felt
happy!

Everyday at school they
raced for fun.

Good friends make
friends... with even bullies.
