When my teacher reads  
a book to the class, we laugh.

When my teacher jumps  
for joy, we jump for joy too.

When my teacher farts,  
we fly away!

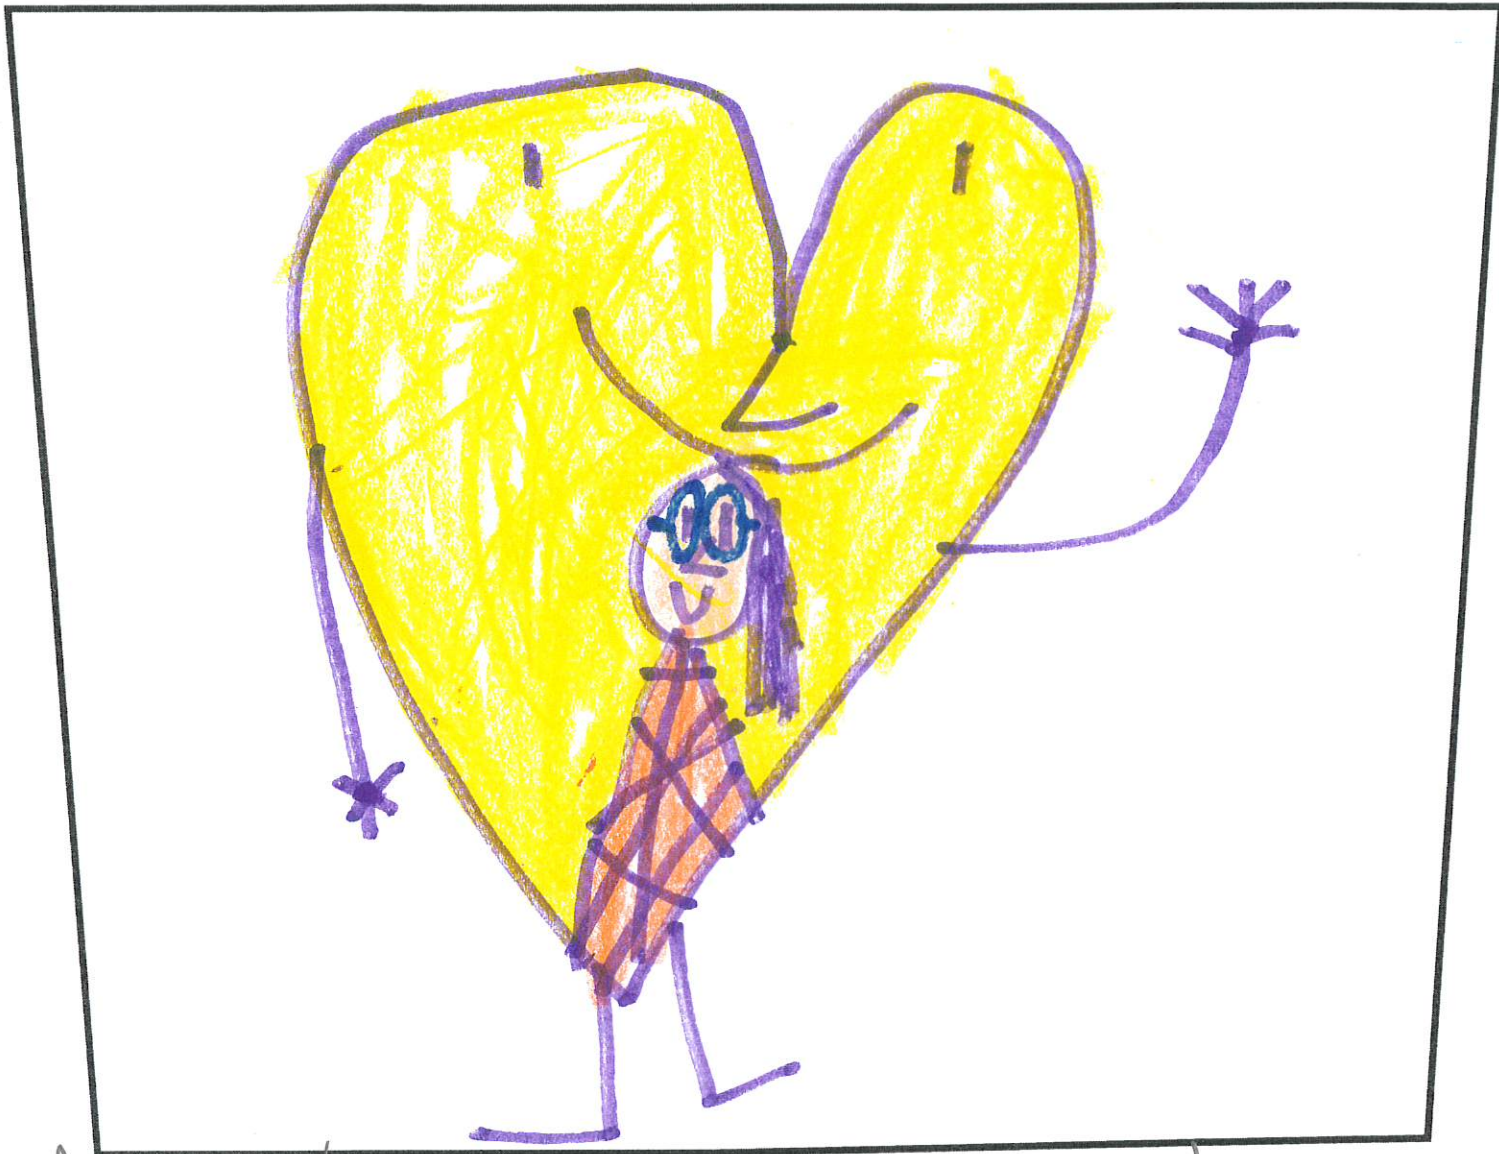

When my teacher sings,  
we sing with her, too.

When my teacher gives  
us a high five, we make silly  
sounds.

When my teacher gives us  
free choice, we get so super  
duper ultra excited.

My teacher is super duper  
ultra mega COOL. I love my  
teacher so much. ♡
